

Siddharth Mehta

Product Designer | Creative Technologist

New York, NY • +1 646 287 7550 • sidmehtadesign@gmail.com • siddharthmehta.design • [LinkedIn](https://www.linkedin.com/in/siddharthmehta)

SUMMARY

Designer and creative technologist focused on AR, VR, and AI-driven interactive experiences. Webby-winning AR work shipped at the Metropolitan Museum of Art, with prior enterprise UX experience at Deloitte and Philips. Completing an MFA in Design & Technology at Parsons (May 2026); open to full-time creative technologist, XR, and product design roles.

EXPERIENCE

XR Developer — Eyejack

New York, NY • Jun 2025 – Oct 2025

- Helped build ENCODED, an Augmented Reality exhibition at the Metropolitan Museum of Art that reinterpreted American art through Indigenous perspectives, bringing 25 paintings and sculptures to life.
- Owned on-site 3D scanning and photogrammetry implementation, deploying location-based AR assets for real-world interaction.
- Drove 2,000+ user activations and earned media coverage in Artnet, with the exhibition recognized by two 2026 Webby Awards (Best Use of AR; Best Community Engagement).

UI/UX Designer — Deloitte Digital

Bangalore, India • Aug 2022 – May 2024

- Designed and shipped enterprise products for clients including Marriott, Del Taco, Yum! Brands, Fairview Health, and Salesforce.
- Led research, user flows, and interface design, working cross-functionally with product, engineering, and client teams.
- Delivered platforms across 100+ franchise stores and 9,000+ hotel properties, improving inventory accuracy by 17%.

Product Design Intern — Philips

Mumbai, India • Jun 2021 – Aug 2021

- Created a workplace health platform for employees at risk of cardiovascular disease, enabling early detection and preventive care.
- Led research and prototyping using wearable data including heart rate, activity, sleep, and blood pressure.
- Improved employee health engagement by 28% during pilot deployment through personalized monitoring.

EDUCATION

Master of Fine Arts in Design and Technology — Parsons School of Design, The New School

New York, NY • 2024 – May 2026 (Expected) • GPA 3.8 / 4.0 • Maximum Scholarship Recipient

Bachelor of Fine Arts in Communication Design — Atlas SkillTech University (ISDI), Mumbai

Mumbai, India • 2018 – 2022 • GPA 3.6 / 4.0 • Scholarship Recipient

AWARDS & RECOGNITION

- Webby Award — Best Use of AR, ENCODED (2026)
- Webby Award — Best Community Engagement, ENCODED (2026)
- MIT Reality Hack 2026 — Selected from 2,500+ applicants to represent Parsons School of Design.
- Kyoorius Design Award 2021 — Awarded for Mool, a financial management application with an Indian visual identity.
